Dear Education Stakeholders,

RE: NATIONAL EDUCATION DEBATE.

Tanzania Education Network/Mtandao wa Elimu Tanzania (TEN/MET) is membership network organisation which has existed from April 1999. Our objectives are to advocate for equitable Access, Equity and Quality education in the country. As a contribution to this TEN/MET has been organizing National Education Debate forums every other month since February 2008.

The next National Education Debate is scheduled to take place on Thursday **28th January 2010** at the Grand Villa Hotel, behind the Science Building off Ali Hassan Mwinyi road, Dar es Salaam from 8:30am to 12:10pm.

The theme for the debate will be: *Is it possible to have Tanzanian Scientists and Mathematicians without Maths and science labs?*

Being one of the education stakeholders and/or a concerned citizen, TEN/MET cordially invites you to participate in the National debate. The Debate aims at to give opportunities for people to air out their views on issues to do with education and to contribute to the betterment of education policies.

Unfortunately, TEN/MET is not able to cover transport and accommodation costs.

Please bring along all your friends and confirm your participation for logistical purposes.

Thanks.

Joseph Kisanji
TENMET Coordinator

Ndugu wadau wa Elimu,

YAH: MDAHALO WA ELIMU WA KITAIFA

Tanzania Education Network /Mtandao wa Elimu Tanzania (TEN/MET) imekuwa ikiandaa midahalo ya kitaifa ya elimu, kila baada ya miezi miwili tangu Februari mwaka 2008.

Mdahalo ujao wa elimu kitaifa umepangwa kufanyika Alhamisi tarehe 28. Januari. 2010 kwenye ukumbi wa Grand Villa hoteli, Kijitonyama, kando kando mwa barabara ya Ali Hassan Mwinyi, Nyuma ya Jengo la Sayansi kuanzia saa 2:30 asubuhi hadi saa 6:10 mchana.

Mada:

Inawezekana kuwa na Wanasayansi na Wanamahesabu wa Kitanzania bila kuwa na maabara za Sayansi na Hisabati?

Kama mmoja wa wadau wa elimu au/ na mkereketwa, TEN/MET inakukaribisha katika mdahalo huu wa elimu ambao unalenga kuboresha upatikanaji, usawa na ubora wa elimu nchini Tanzania.

Kwa bahati mbaya, TENMET haina uwezo wa kuwalipia watu gharama za usafiri na kujikimu. Tafadhali wakaribishe na wenzako wote na tujulishe uwepo wako ili itusaidie katika maandalizi.

Asante sana

Joseph Kisanji
Mratibu wa TEN/MET
