

POLICY FORUM LGWG MEETING HELD ON 13TH JULY 2012

VENUE: POLICY FORUM SECRETARIAT

MATTERS ARISING

MATTER ARISING/AGENDA	DISCUSSION	RESOLUTION	WHAT HAVE BEEN DONE SO FAR
Agenda No. 3: Updates on Decentralization by Devolution brief	It was discussed that Nicholas from SIKIKA is to work on the draft document where members identified different topics to be captured by the brief	It was agreed that the brief should look at the inadequate experience of human resources at the local level and once completed by Nicholas from SIKIKA it should be shared with LGWG members	The draft brief has already been made but there are no progress so far
Agenda No. 4: Updates on the social accountability monitoring documentary	Members discussed on the content of the documentary.	It was agreed members should visit PF's website to see the case study of SAM which was conducted by MIICO and the documentary will be aired in TV stations after completion.	The documentary has been completed and was aired in two TV stations (ITV and TBC) and was uploaded in PF's website and you tube
Agenda No. 5 : Updates on the weaknesses of the current constitution booklet	members of the constitution team met to prepare a draft document which looks at the major weaknesses of the current constitution in relation to the local government	It was agreed that the draft document which was prepared by the constitution team should be circulated to members for their comments.	The booklet was finalized printed and circulated to members, due to great demand it shall be reprinted again.

<p>Agenda No.6 : Updates on CDCF</p>	<p>Members were introduced to the concept note of the survey and Kenny Manara explained to members on the methodology to be adopted in conducting the research(qualitative and quantitative research methods), he said both methods will provide a wide picture on the effectiveness of CDCF</p>	<p>It was agreed that among other things the CDCF team should look at the CAG report so as to select the constituencies for the research.</p>	<p>The team has already conducted the research in six constituencies and have submitted the questionnaires to reposit who are now finalizing on it, a draft report has already been made which is yet to be reviewed</p>
