MATTER ARISE/AGENDA	DISCUSSION	RESOLUTION	WHAT HAVE BEEN DONE SO FAR
LGWG Leadership – AOB on 28th February 2014 QM	<p>the co-convener presented on the matter, where she asked if there are any directives which guides the conveners in leading the group, so she suggested that it will be good to produce one, if there's none.</p> <p>She also presented to the meeting the allegation that, there are some secretariat staff who are despising her; they are seeing her as an assistant to the other co-convener. She further said that there are some decisions which are reached without her consent as a convener.</p>	<p>It was agreed for the matter to be discussed in the LGWG and that during the meeting they should as well elect other conveners since the present ones have served the group for many years. It was also agreed for the guidelines in leading the group be developed and that duration for leading the group should as well be established.</p>	<p>The secretariat drafted a guideline for the working group and shared with members of the working group for their inputs.</p>
